FACT SHEET
A quick guide to Zinio

ABOUT

- Zinio is an online library of eMagazines containing more than 5,500 titles from a range of publishers.
- To access Zinio you need your Hurstville library card and access to an email account.
- Use your login and password to get started and begin reading eMags on a variety of topics.

GETTING STARTED

- From the Hurstville library homepage go to the Books, Music, DVDs, Toys and Online menu and choose eLibrary.
- Alternatively, visit **http://lmg.hurstville.nsw.gov.au/e-Library.html.**
  Below the Zinio logo, click the "Enter here" link to get started.
- The Zinio Hurstville page will appear, as below:
- Click "Create New Account" if accessing Zinio for the first time.
- Set up a user name and password, and enter your library card barcode number (consisting of the letter X followed by ten numbers eg: X**** *** ***].

How many eMags can I borrow?

Zinio allows unlimited checkouts. Simply click to add a magazine to your checkouts by clicking in the bottom right corner of the magazine cover where the plus sign is [+].

Once you check out an eMag, you will receive a pop-up message confirming "Success... start reading"

- To read your eMag, click on the left and right arrows to scroll between page content.
- To preview upcoming page content, use the display options on the left hand side.
- "My Magazine Collection", allows you to see all the magazines you have checked out.

Australian Sky & Telescope

Zinio app

- Download the Zinio app to download and view eMagazines on device. Search for Hurstville library, login and download eMags to read anytime, anywhere.
- Follow the registration instructions using the library collection name Hurstville City Library Museum and Gallery
